**WHOSE AIMS ARE
TO PROMOTE GOOD INTER FAITH RELATIONS**

The Inter Faith Network was founded in 1987 to promote good relations between people of different faiths in this Country. Its member organisations include representative bodies from the Baha'i; Buddhist; Christian; Hindu; Jain; Jewish; Muslim; Sikh; and Zoroastrian communities; national and local interfaith bodies; together with academic institutions and educational bodies concerned with inter faith issues

UNDERSTANDING WITH INTEGRITY

The Network works with its member bodies to help make the U.K. a place marked by mutual understanding and respect between religions where all can practice their faith with integrity.

The Network's way of working is firmly based on the principle that dialogue and co-operation can only prosper if they are rooted in respectful relationships which do not blur or undermine the distinctiveness of different religious traditions.

York Interfaith Group invites people to become members
annual membership fee : £12 waged / £6 unwaged
Meetings are open to all - membership is not necessary.

PROGRAMME FOR 2015

The York Interfaith Group has been active since 1989

Our aim is to contribute to the promotion of mutual respect and understanding between faith communities, and we aim to respond to the new and changing ethnic and faith mix within the population of York.

As a member of the National Inter Faith Network for the United Kingdom - www.interfaith.org.uk - we set out to apply its aims at the local level

We meet most often at 7.30pm. on the first Wednesday of each month at the Priory Street Community Centre, or at the Unitarian Chapel on St. Saviourgate, and we welcome people of all faiths.

See our current programme overleaf.
